Summary

As a passionate and detail-oriented graduate in Architecture, I am eager to contribute my skills in design to your esteemed team. With a strong foundation in architectural principles and a commitment to innovative solutions, I am excited about the opportunity to collaborate with experienced professionals, bringing enthusiasm and creativity to your projects.

Experience

Junior Architect

PT Sayap Mas Utama (Wings Group), Jakarta, Indonesia

Feb 2024 - Feb 2025

- Designed and modified 2D warehouse layouts for over 85 warehouses across Western Indonesia.
- Created drawings using AutoCAD and ArchiCAD, including floor plans, elevations, sections, and 3D models.
- Developed space optimization strategies to maximize storage capacity while ensuring efficient product flow and worker movement.
- Collaborated with cross-functional teams (logistics, engineering, inventory management) to ensure design feasibility and alignment with business needs.

Junior Architect & Interior Designer

PT Indo Karya Anugerah (IKA Group), Jakarta, Indonesia

March 2026 - present

- Designed the 3D interior for a government-owned projects (3-star hotel, school, and kantor pemerintah) in Central Papua.
- Curated custom furniture pieces, ethnic-themed headboards, and lobby exhibition layouts.
- Produced 2D architectural drafting for a government-owned elementary and middle school in Papua Tengah.

Education

Bachelor Degree in Architecture, 2021 - 2025

Bina Nusantara University

- Final thesis accepted for presentation at the 9th International Conference on Eco Engineering Development (ICEED 2025).
- Academic paper published in the IOP Conference Series: Earth and Environmental Science.
- Actively participated as committee member for multiple architecture festivals, international seminars, etc.
